Dear Parents/Guardians,

To complement our Guided Inquiry learning of Preparing the Stage and our study of Creative Literature, MAC 11 and 12 would like to watch the movie titled ‘Bridge to Terabithia’. The movie was adapted from the award winning novel written by Katherine Paterson, directed by Gabor Csupo and released in 2007.

The official trailer summary is as follows:

The life of Jesse (Josh Hutcherson), an adolescent, changes when he befriends Leslie (AnnaSophia Robb), the class outsider. The children create an imaginary world called Terabithia, which is inhabited by all manner of magical creatures. Though difficulties fill their ordinary lives, Jesse and Leslie rule as king and queen in Terabithia. Soon one of the friends must draw on the strength of their imaginary kingdom to cope with a tragedy.
