

Dear Parents/Guardian,

To celebrate the launch of the new house system at CSPS we will be holding a "Colour Run" on **Friday, 8 December 2017 from 2.00 -3.30 pm**. This colour run promises to be a 'colourful celebration' where students can run around our oval whilst being 'coloured' with powder colour.

There will be various colour powder stations throughout the course with two designated lanes – **one for colour powder, the other with no powder**. It is optional for students to choose whether they wish to have colour powder thrown at them. Your child can still participate in the event should you not wish for them to be sprayed with colour powder.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use of the products poses a low level of toxicology risk. This product is safe for use. Should you wish to view the ingredient listings and toxicology risk assessment of the powder please contact me **Sunglasses will be provided to each child in house colours on the day to ensure protection of the eyes.**

It is highly recommended that students wear a white T-shirt and shorts or pants that you do not mind being coloured. The colour will most likely wash out however we recommend that you provide an inexpensive shirt and older clothes as some colour may remain. After the run, **all students will receive a Berri Quelch Fruit Stick (icy pole)**. If you do not want your child to have an icy pole, please speak to their class teacher. **The cost for this celebration will be \$7.00 per person.** This cost includes a colour cartridge, sunglasses and icy pole. Please return the permission slip no later than **Friday 1, December 2017**.

Everyone is invited for the launch of our new House System for 2018. Join us in this celebration and get ready for a **BLAST OF COLOUR** and thanks in advance for your support!
