Monday 27 February, 2017

Dear Parents,

As part of the Sport Education program, students in all classes will be participating in our House Athletics Carnival this year. Foundation-1, Year 2-3 and Senior School students (Year 4-6) will participate in tabloid sports and/or Athletics events. Students in all year levels will accumulate points for their house for every event they participate in as well as bonus points for houses who display good sportsmanship and for ‘best house cheer.’ Students are encouraged to wear their house colours for the day.

**F-Year 1 Students** will participate in a range of tabloid sports in their house group including scooter board relays, sack races, egg and spoon, hopscotch, parachute games and beanbag toss. This will occur during the first block of the day (9:15-10:30am) on the basketball court, netball court, multi-purpose room and rotunda.

**Year 2-3 Students** will also participate in some relays and modified athletics events during the middle block (11:10am-12:50pm).

**Senior School Students** (Year 4-6) will participate in a whole day program and compete in a range of track and field events within their age group. Events will include High Jump, Long Jump, Triple Jump, Discus, Shot Put, Hurdles, 70 Metre Sprint, 200 Meter Sprint and Distance Run.

All parents are invited to attend part or all of the day. As you can imagine, there are many roles that need to be filled for this day to run successfully. Assistance in running events or small tabloid groups will be much appreciated and will help our students to have the best day possible.

A light morning tea will be provided for volunteers in the library at recess. For catering purposes, we would appreciate it if you could fill in the form below if you intend to volunteer for part or all of the day. This information will also help us to delegate roles for the day.
