A
CHARITY MARKET

CSPS Junior School Council are holding a Charity Market on **Friday, 8 December 2017**. This event will take place on the basketball court commencing at 11.10 am and concluding at 12.45 pm.

This Charity Market has been part of the Senior School Empowerment Project. Our students have been planning this event to raise money for **'Backpacks 4 Vic Kids'**.

This charity is based in Cranbourne and they create backpacks of essential items for children entering the foster care system. We aim to raise enough money for 20 backpacks for children in foster care.

Our Junior School Council representatives will be operating the market and they have planned some amazing foods, activities and stalls. Classes will be visiting the stalls at various times throughout Period 3 and 4.
