**Foundation Learning Centre Information Session -
3.30pm in Foundation a**

Dear Parents/Guardians,

On Thursday, 22 February, an information session will be held to discuss details of the approach we are taking towards teaching literacy in the Foundation Learning Centre in 2018. This will be held in Foundation a, classroom.

At the information session we will describe the process through which children learn to read and write and how parents can best support their children's learning at home. We will also outline details about our 'Ready Set Go' Reading program. Some training will be available at the session for those parents who have committed time to support us in running this program.

We are always eager to answer, in person, any questions you have concerning your child's learning.

Parents/Guardians who participate in this program will have the opportunity to go on a learning journey with their children to learn about the foundations to literacy development and gain experience in supporting their child's learning in a practical sense. We would really appreciate any assistance you can offer!

The Ready Set Go Reading program requires the support of many adults. Thank you to those who have already volunteered. We still have a few spaces to fill. Please let your classroom teacher know if you are available to help on any morning during the week.

To meet Child safe Standards you will require a Working With Children Check which is available on line for no cost at www.workingwithchildren.vic.gov.au and sign in at the office each morning you are working in the classroom.

KAREN HALKET
JUNIOR SCHOOL LEADER
Thursday, 15 February 2018

PLEASE RETURN BY Thursday, 22 February
Foundation Learning Centre information session

I **WILL** be attending the Foundation Learning Centre information session in Fa.

Name of child: _____ Class: _____
