Thursday, 7 June 2018

Dear Parents/Guardians

On Thursday, 7 June, the i sea i care ambassadors will be driven and accompanied by Ms Youl on their Term two excursion to meet up with the ambassadors from other schools and the i sea i care organisers, at Endeavour Hills Shopping Centre, on Raymond McMahon Bvd.

The morning will be spent around the corner in Frangipani Court, learning about and observing the council crew emptying the litter trap. The afternoon session will be down the road at Frog Hollow reserve, where the ambassadors will be conducting a litter survey for Tangaroa Blue, litter collection, freshwater invertebrates and water testing.

Ambassadors should be prepared for cold and wet conditions, with sturdy shoes that may get wet and muddy. It is not compulsory for this day that they wear school uniform. It is suggested that they bring a spare pair of socks and shoes, or better still, a pair of gumboots.

Looking forward to another day spent learning about caring for our environment and having some fun along the way

Thank you,

CHRISTINE YOUL

i sea i care Coordinator
