

MAPPEN

Museum In Motion
Thursday, 22 June 2017

Dear Families,

As a celebration of Australian history and National History Day, you are invited to attend the opening of our 'Museum in Motion' to be held on Thursday 22 June at 2.00pm

This invitation provides entry to a static display of key events in Early Australia in our museum and a live display where you will have an opportunity to meet and ask questions about a number of pioneers from Australian history, who have made significant contributions to our country.

These people have 'come back to life' for a short time to share with you what life was like during their time here. The students have prepared questions for you to ask them, so you can learn about their legacy.

You will be intrigued to learn about some of our more famous Australians first-hand. What an opportunity! Do not miss this exciting Year 5/6 exhibition.
