Artistic Flair 2017

My name is Anna Hennessy. I have two children who are my inspiration and my art room guinea pigs! I live near the beach and spend a great deal of time swimming, paddle boarding and watching my kids at Saturday and Sunday sports. I love to visit local galleries such as the McClelland Sculpture Park and Mornington Regional Gallery. A few trivia facts about me... my favourite colour is green (at the moment), my favourite artist is Gustav Klimt, and my favourite flower is the frangipani.

Teaching is not just a job to me, it is a passion of mine. I look forward to watching your child grow and learn at school throughout the year.

Artistic Flair is an area where students will enjoy the areas of visual arts, drama and media arts. Artistic Flair lessons provide an environment where imagination, experimentation, creativity and self-expression can flourish. Students explore personal interests and develop skills, knowledge and understandings in sequential programs.

In Visual Arts students will engage in art forms such as painting, drawing, printmaking, clay, threads and textiles, construction, modeling and collage.

Performing Arts lessons are based on developing an appreciation of performance through the areas of singing, dancing, drama and playing instruments. Students will work on developing a sense of confidence through individual and group performance.
