

Connect Cranbourne South PS

Welcome to Term 1,

We hope that the break has been full of adventure and that your child is excited about the year ahead at Cranbourne South Primary School. 2017 is going to be another fun filled year of educational opportunities that will expand your child's education.

Hola, my name is Natalia. I am Spanish and I live with my family in the Mornington Peninsula. I moved to Australia 18 years ago and I consider this wonderful place my home. We live by the beach and we enjoy surfing, bushwalking, cycling, skating, running, footy, soccer and anything that makes our hearts race with adrenaline and excitement. I also love spending time with friends, reading good books, movies, art, music and enjoying exotic food. We have travelled Australia and visited many places around the world. I believe I am cursed as I cannot stop looking, moving and considering everything around me. Everything is interesting and it has a value waiting to be transformed, therefore I am unable to sit still.

Your beautiful children are learning to value cultures, languages, beliefs and others. I am trying to cultivate their understanding about how our identities are shaped, the commonalities between diverse cultures and the way our own culture changes when engaging with others. I look forward to developing values and dispositions such as curiosity, care, empathy,

Cultural Fusion 15/02/2017

reciprocity, respect and responsibility, open-mindedness, critical awareness and positive intercultural behaviours through an interesting and enjoyable 'Cultural Fusion' program.

I would like to extend the Cranbourne South 'Cultural Fusion' program offering free after-school Spanish language and culture lessons to parents. (Please, register your interest at the school office).

I am looking forward meeting you. If you wish to contact me or would like to contribute to our program in any way, our classroom is always open.
