Physical Vibe 2017

Welcome to Term 1,

We hope that the break has been full of adventure and that your child is excited about the year ahead at Cranbourne South Primary School. 2017 is going to be another fun filled year of educational opportunities that will expand your child's education.

Hi, my name is Greg Booth,

I have a son called Seth who is in year 4 this year. He is a very energetic boy who loves swimming, Little Athletics and the theatre. He keeps me happy and active when he is with me.

I love to keep active myself and last year completed the Great Victorian Bike Ride from Halls Gap to Geelong via the Great Ocean Road. Riding along the Great Ocean Road was spectacular although I didn't enjoy climbing Lavers Hill quite so much. I also enjoy camping outdoors and bushwalking.

I am heavily involved in amateur theatre and love performing on stage whether in a straight play or musical but also have managed other off stage roles such as Assistant Director, Stage Manager and Production Coordinator. I am currently rehearsing for a play called Ski Wiz about an Austrian man who is opening a hotel. I really look forward to staging it in June this year.

If families wish to contact me, please see below to make an appointment time. My door is always open.

Thank you for your continued support.

Greg Booth
