I'm also excited to announce a **new guitar teacher** at Cranbourne South PS. Mr Bell is an accomplished musician and teacher with years of experience teaching at private schools.

Due to the difficulty in communicating with students over the loudspeaker at lunch time and in conjunction with the staff at Cranbourne South, we have decided to move all instrument lessons to **Thursday morning**. This also removes the conflict with the Empowerment Program which will be run on Thursday afternoon in term 1. Students will not miss out on any core unit study during their lessons.
