CRANBOURNE SOUTH VIC 3977

Dear Monique,

Proposed 40km/h Part Time School Speed Zone – Pearcedale Road, Cranbourne South

Council officers have undertaken a review of the existing 60km/h part time school speed zone currently present on Pearcedale Road adjacent Cranbourne South Primary School.

As speed limits are Major Traffic Control Items under the jurisdiction of VicRoads, the speed limit review was carried out in accordance with the VicRoads Speed Zoning Guidelines.

The review has suggested that a part time school speed limit of 40km/h can be considered for Pearcedale Road due to the presence of the flagged school crossing site located just north of the Browns Road roundabout.

Council is now inviting community feedback on the proposal to reduce the part time school speed limit from 60km/h to 40km/h on Pearcedale Road to improve student safety during the school peak periods. The existing 80 km/hr speed limit would still apply outside of the VicRoads determined school peak times of 8 – 9.30am & 2.30 – 4pm, School Days.

You are encouraged to provide comments on the proposal by return of the enclosed survey form or email your feedback to traffic@casey.vic.gov.au. Alternatively, you can visit caseyconversations.com.au and submit your feedback via our online survey. The closing date for all feedback is **21 December 2018**.

Should you wish to discuss the matter further please contact me on 9705 5200.

Yours faithfully

S. De Waal
