Home Learning in the Middle School 2019

Dear Families,

We appreciate your support so far this year; encouraging your children to read daily and return their reading diaries to school each morning.

This week we will extend our home learning program to include individualised spelling words and times tables. Students will need to spend approximately 20 minutes a day to complete the home learning expectations as set out below.

- 1. Spelling:** Words are provided at a student's point of need, considering their phonological awareness.
- 2. Times Tables:** Times tables are to be practised for the attainment of automatic recall.
- 3. Reading:** Students reading needs to be listened to daily and include discussion.

Home Learning activities are usually set and due on Fridays. If not completed at home, students may be asked to join a Home Learning lunch time club.

If there are any questions regarding the Home Learning activities, please contact your classroom teacher.

The Middle School Team

Pip Atherton (3a), Christine Youl (3b), Karen Halket (3/4a),
Liam Gillick (4a) & Ebonee Thomas(4b)
