Dear Parents

As part of our ongoing studies over the year, our students will be watching a number of educational programs and films that will be rated PG. For example, our class novel exploring our Guided Inquiry topic of Ethics and Emotions is 'Shilo', the story of a boy who grapples with an ethical dilemma in relation to a dog who is being neglected. The film Shilo, is rated PG.

Next term we will be viewing "My Place", an acclaimed ABC series that looks at the history of Australia.

We require parental permission to view PG programs and movies at school.

A Flexibuzz/COMPASS notification will be sent out to parents to notify them of the viewing in which the children will be engaged.

If you require more information, please contact your child's class teacher.

Please sign the consent form below and return to your classroom teacher by Wednesday, 27 March 2019.
