Dear Parents/Guardians,

This year, Cranbourne South Primary School will be participating in the Australian Maths Trust's 'Australian Mathematics Competition' for the second year in a row. We would like to invite students from Years 3 - 6 to participate. It is a wonderful opportunity for students to extend their mathematical knowledge and challenge themselves.

The competition will be completed online during school hours on **Thursday, 1 August 2019**. Students are asked to solve 30 problems in 60 minutes. The problems are designed to test mathematical thinking and questions increase in difficulty. Below are some examples of what students might see in the competition:
