Dear Parents/Guardians

This semester, our school reports and parent-teacher conferences (formerly PTO) will be made available on and booked through the new Compass portal. This is part of our school's wider systems management plan. As part of the plan we are transitioning from a traditional paper report format to a digital one. This will allow you to access and print school reports from Semester Two 2016.

As this is a transition phase, we will be offering the community the option to opt-in to receive a paper report if required. To do this, please complete the below slip and return it to school by Tuesday, 18 June 2019.
