Dear Parents/Guardians.

In Term 4, your child will begin their swimming program at Kingswim Langwarrin. We are very excited to welcome all the swimmers along with Mums and Dads and any other family members that would like to come along and watch the classes.

In order to make the first class on Monday, 14 October 2019 as productive as possible, please take a few moments to fill out the attached form. This form allows us to group all swimmers into classes appropriate to their swimming ability. During the children's first lesson all swimmers will be assessed, to ensure they are in the most appropriate group for their level of swimming development.

Please return the completed form to your class teacher by .
