

Dear Foundation 2021 families,

Thank you for your enrolment application for your child to attend at Cranbourne South Primary School.

We are pleased to confirm that your enrolment has been accepted.

We look forward to welcoming your child into the Foundation year level in 2021.

Please see below for information regarding ways to become involved in our Cranbourne South School community - starting now.

Compass

Our school management system is Compass. If you are a current family, you already have your login details for this app. If you are a new family to our school please contact the Office for your login details if you have not already received them.

Once logged into Compass you will be all set up to receive information for your child between now and when he/she begins with us in 2021.

SEESAW

At CSPS, we use Seesaw as our digital learning platform. Please see Seesaw login information and your unique login details. We have set up a virtual class for Foundation 2021 so that we can begin the process of getting to know your child and to allow them to engage in some fun activities provided by the Junior School and Specialist Teams.

Step up to school

Further information will be forwarded regarding our Step up to school Transition program. Due to the challenging nature of COVID-19 and Stage 4 restrictions we are exploring alternative ways to ensure that our new Foundation students have a smooth transition into their first year of school. More information to follow.

Join in the community spirit

Term 3 Virtual Footy Day

Wednesday, 16 September 2020

If you would like to take part in our Virtual Footy day, simply log on to your child's Seesaw account to take part in what will be a fun day. There will be Physical Education footy themed activities as well as some printable tasks to highlight the footy team you support.

Welcome to our Cranbourne South family!

SALLY HERBERT

Assistant Principal
