

Dear Parents/Families,

The CSPS 2020 end of year whole school celebration will be held at school on Friday, 11 December.

Organised and supervised by their teacher, each class is currently practising a short item to perform to the school. The theme is to celebrate and be grateful for the amazing opportunities we have living in this wonderful country. Students are very excited to be able to participate within their class to showcase their talents. A mobile stage will be provided for this event to occur outside.

Unfortunately due to COVID safety restrictions, this event will not be accessible for families to view live, but will be recorded and made available to the school community as soon as possible.

As rehearsals are well underway, teachers may be requesting students to bring from home, simple props or clothing items for costumes. Class teachers have written this information in the space provided below. Please note that not all classes require face painting. If your teacher requests face painting for your child, please return the permission slip that is included in this notice.

If you have any difficulties providing these items for your child/children or require any more information, please contact your child’s class teacher as soon as possible.
