Dear Parents,

Acting Premier James Merlino has announced a 7 day 'circuit breaker' lockdown in Victoria. As a result, in line with the directions issued from Victoria's Chief Health Officer, all Victorian schools will move to a period of learning from home provision from Monday, 31 May until Thursday, 3 June inclusive. Friday, 28 May has been declared a curriculum day.

Schools must continue to provide on-site supervision for students in the following categories:

- Children whose parents are considered **essential workers as listed**, cannot work from home and where no other supervision arrangements can be made
- Vulnerable children, including children in out-of-home care, children deemed by Child Protection and/or Family Services to be at risk of harm and children identified by the school as vulnerable (including via referral from a family violence agency, homelessness or youth justice service or mental health or other health service).
- Please complete the onsite attendance survey via the link below. You will receive a confirmation that your application has been accepted and is successful.

Learning from Home

The Department of Education has asked for learning to continue at home. We are operating for a seven day lockdown and will be establishing remote learning platforms from Monday, 31 May. Staff will post links via Seesaw. School attendance will be recorded daily, by CSPA, as either on-site or learning from home.
