“Sustaining all life on earth”

Our School Community Captains have chosen to hold a fundraiser for **World Wildlife Day** to celebrate and raise awareness of the world’s wild animals and plants.

For a **gold coin donation** students can support this day by coming to school on **Friday, 5 March 2021, dressed as any form of wildlife (animals or plants)**.

The funds raised will be donated to the Royal Botanic Gardens Cranbourne in support of the movement to sustain all life on earth, along with vital water conservation and biodiversity research.

We look forward to seeing your creative outfits!

Monique Tempone & Jessica Cook
