

## Jeans for Genes Day- Friday, 6 August 2021

Dear Families,

Cranbourne South Primary School is raising money for the Children's Medical Research Institute. 1 in 20 children face a birth defect or genetic disease.

Every dollar you donate goes directly towards the Children's Medical Research Institute and helps find treatments and cures for children's genetic diseases.

To help us with our fundraiser, please bring a **gold coin donation** on **Friday, 6 August** and come **dressed in double denim (denim jackets or jeans)** for the day.

Thankyou for your support to this wonderful charity.

**Monique Tempone and Jessica Cook**
