

World Wildlife Day 2022

**WORLD
WILDLIFE DAY**
3 MARCH

World Wildlife Day will be celebrated in 2022 under the theme of “recovering key species for ecosystem restoration.” This celebration will raise awareness and draw attention to the conservation of some of the most critically endangered species of wild fauna and flora.

For a **gold coin donation**, students can support this day by coming to school on **Friday, 4 March** dressed as any form of wildlife (animals or plants).

The funds raised will be donated to the Royal Botanical Gardens - Cranbourne, in support of the movement to sustain all life on earth, along with vital water conservation and biodiversity research.

We look forward to seeing your creative outfits!
