The top 8 students in each race will receive a ribbon which will be handed out on the day.

District Trials

This event will act as trials for District Cross Country with selected students qualifying to represent the school in the following age groups:

We welcome spectators to come and cheer on the students. Please ensure you stay off the course during the running of the event to ensure the safety of all students. Students must stay in their designated house areas when they are not racing to support their peers.

****Please note if you plan on attending both sessions you will need to leave the school grounds during Break #1 - 10.40am to 11.25am. There will be a coffee van in the staff car park during this time for your convenience.***
