

MOBILE PHONE AND PERSONAL WEARABLE DEVICES POLICY

Purpose

To explain to our school community the Department's and Cranbourne South Primary School (CSPS) policy requirements and expectations relating to students using mobile phones and personal wearable devices during school hours.

Scope

This policy applies to:

- All students at CSPS and
- Students' personal mobile phones and personal wearable devices brought onto school premises during school hours, including recess and lunchtime.

Policy

CSPS understands that students may bring a personal mobile phone and personal wearable devices to school, particularly if they are traveling independently to and from school.

At CSPS:

- Students who choose to bring mobile phones and personal wearable devices to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Definitions

A personal wearable device is any device that is technological of nature that includes functionalities that replicate that of a mobile phone ie. receive messages, make phone calls, takes photos, videos etc...

Personal mobile phone or personal wearable technology use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones or personal wearable devices must not be used at CSPS during school hours, including break times, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone or personal wearable devices for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones and personal wearable devices owned by students at CSPA are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone and personal wearable devices to school unless there is a compelling reason to do so. Please note that CSPA does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the CSPA Personal Property Policy and/or the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone or personal wearable devices to school, CSPA will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At CSPA students are required to store their phones and any type of personal wearable devices in the locked box of the classroom office.

Enforcement

Students who use their personal mobile phones or personal wearable devices inappropriately at CSPA may be issued with consequences consistent with our school's existing student engagement policy.

At CSPA inappropriate use of mobile phones or personal wearable devices is defined as any use during school hours, unless an exception has been granted:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones — Student Use Policy](#).
