

BEFORE AND AFTER SCHOOL SUPERVISION PARENT NOTIFICATION

Student safety at Cranbourne South Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds and the Kiss and Go are supervised 8.45 - 9.00am.

After school: School grounds and the Kiss and GO are supervised 3.30 - 3.45pm.

Students on school grounds outside these times will **NOT** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity). It is the duty of care of parents to communicate with the Office if outside of these times requires additional support from the school.

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports event).

Families will be encouraged to contact [TheirCare](https://www.theircare.com.au) on 1300 072 410 or refer to info@theircare.com.au for more information about the before and after school care facilities available to our school community.

For a copy of our school's Yard Duty and Supervision Policy contact the school office. This policy includes Cranbourne South Primary School's student supervision arrangements across the school day, including before and after school.
