**Website Revamp**

You may have noticed that as of last week, our school website has had a facelift. Such an upgrade is in alignment with our rebranding; including our new Vision, Mission and Values. Copies of notices sent home, the electronic version of Contact, as well as other important information and many photo galleries are still available.

Your feedback is most welcome during this transition stage from the old format to the new. The website continues to be found at www.cranbournesouth.vic.edu.au.

**Overdue Library Books**

Notices regarding overdue library books were recently sent home. Please encourage children to take responsibility for resources loaned to them, and it is suggested that a thorough search both at home and at school is undertaken to locate these overdue books.

Please ensure these items are returned to the library as soon as possible, or contact the office to arrange payment of a nominal $10 replacement fee in order for your child to continue borrowing items.

**Humorous Hat/Goofy Glasses**

Next Friday, 2nd December is ‘Humorous Hat and Goofy Glasses Day’, where the Junior School Council is raising money for State Schools’ Relief (assisting families with uniform and school supplies discounts). This is also our final Subway lunch day for the year. Please bring along a gold coin donation and come dressed in your most humorous hat and/or goofy glasses!

---

2016 has been a very successful year for our Senior sporting teams with many students competing in several District, Division and Regional finals playoffs or competitions. This highlights just how supportive our students have been in building up friendships, encouraging others and working hard to develop their own skills in many sports.

The most recent success was our T20 Blast Cricket teams. The standout was our girls 3 team who qualified for the Regional playoffs held at Marriot Waters Reserve on Friday 18th November by going through undefeated in the District Round Robin last Wednesday. Our girls played three pool games and scored 130 runs or more in each game. Given their success in the pool games, they qualified for the final where they were narrowly beaten by Dandenong South Primary School. A big thank you to all staff and parents who came along to show their support, and congratulations to all students who participated on the day.

A Message From The Principal

Dear Parents/Guardians,

2017 is fast approaching and with such are decisions that will directly impact on our school.

I wish to remind and assure the CSPS community that much deliberation, consideration, consultation and perspiration is spent in the decision making and planning for 2017. I would like to thank all the staff and most importantly students in their enthusiasm when participating in the Step Up Program for 2016-2017. This has encompassed the 2017 Foundation students, new enrolments and of course the continuing journey of existing students. Such an experience has reminded all of the joy of students both from a social and academic lens, to ensure that the decisions per class and teacher selection for 2017 is solid.

As has been mentioned beforehand, first and foremost leading into 2017 is the rebranding of the school and the subsequent educational foci. I would like to thank all staff and families for their input per the new slogan, vision, mission and values. I have very much enjoyed the conversations and the joint ownership of both respecting the past and forecasting and nurturing the future.

With such, it has been noted per the upgrade of the school website – it is definitely highlighting the key features of our rebranding; style, terminology, strength of educational focus and of course standing out from our neighbouring schools.

The empowerment of all stakeholders of the school is at the forefront of all decisions – we endeavour to empower teachers, students and community members to embrace learning, achieve their personal best and strengthen emotional, social and physical wellbeing. Our Vision is to provide all students with an education they can be proud of by exhibiting confidence and creativity in this complex and ever changing world. To assist students in taking ownership of their learning; to grow into responsible, happy, resilient and socially fulfilled individuals.

With such rebranding in mind, comes a much needed and invited community chat about what this means at the ‘ground level’. We openly invite you to a Community Forum in the Library on Thursday 1st December, 5.30 – 6.30pm to formally meet the 2017 newly appointed Principal and Assistant Principal, learn more about the 2017 structure and educational focus and of course ask any questions you may have to further share in the excitement of what 2017 has to hold.

If you would like to know any further information, please do not hesitate to contact me.

Monique Corcoran Principal

Changes to the Check from December 5th, 2016

From 5 December 2016, a number of changes to the application process for Victorian applicants will be introduced:

New proof of identity (POI) requirements for all Check applicants

The list of acceptable POI documents will expand, adding many commonly held cards and documents. Documents will be classified as primary or secondary, replacing the existing 100 point system.

A secure electronic verification service for Victorian applicants

Victorian applicants will be able to securely verify their identity online. This will save them time at the counter of a participating Australia Post outlet as they will need to only present one acceptable photo identification document to finalise their application.

Electronic identity verification is a secure service. The applicant's details are securely submitted to the Australian Government's Document Verification Service (DVS), which compares the identifying information with available government records. If an applicant is unable to have their identification verified electronically, or they choose not to, in-person verification at Australia Post will still be possible. Applicants will need to present multiple POI documents at the counter to finalise their application.

Photo taken free of charge for Victorian applicants

Victorian applicants will no longer need to supply their own photo. Australia Post will provide a digital photo free of charge.

Full details of the changes are available on the WWCC website: www.workingwithchildren.vic.gov.au

‘You Can Do It’ Student of the Week

This week’s key to success:

Resilience

Congratulations to the following children who have demonstrated our “You Can Do It” keys to success: Getting Along, Confidence, Organisation, Persistence and Resilience.

Top 10 Cyber Safety Tips

Care about the Share
Social media wants you to share as much as you can bear! But the share should be rare. NEVER share: passwords, private/personal information, your location.

Privacy Matters
If you care about the share, you’ll protect your privacy, no matter what. Regularly check your privacy settings on social media, and always think before you post. It’s amazing where data ends up – usually all over the internet.

Respect the Privacy of Others
Treat others’ privacy as you would your own. Ask for your friends’ permission before uploading photos and videos of them. It’s not all about you, amiright?

Keep Everything Updated
Any idea what causes the most security breaches on the internet? Software that isn’t up-to-date. Seems crazy simple, but it’s true! Be vigilant about updating software, including apps, anti-virus and even the humble browser.

Spam, Spam, Spam, Spammidy-spam
Even with the best anti-spam and malware software – that’s up-to-date – spam is the modern version of junk mail. It’s everywhere! Learn how to tell the difference between real emails and messages, and dodgy things with dodgy links. Sometimes they don’t look so dodgy...always be suspicious of hyperlinks in emails.

Control the Troll Within
There be trolls out there – beware! Don’t feed them, don’t give them what they want: an angry response. Block/Report the trolls. But also: resist the inner troll. If you’re not adding something to the debate online, don’t bother. Don’t be part of the problem.

Cyberbullying and Harassment
If you’re being targeted by this kind of behaviour, know what you can do, and where you can get help. Visit the National Centre Against Bullying website (www.ncab.org.au) and the Office of the Children’s eSafety Commissioner website (www.esafety.gov.au).

Keep Your Friends Close and Strangers at Arm’s Length
Do you know how many true friends most people have? Three. Yup, those four thousand and fifty-two Facebook ‘friends’ are a combination of acquaintances, people-you-met-once, people-you-can’t-remember-meeting-once, and probably, some ‘randoms’. They don’t need to know what you had for breakfast, or what concert you went to last night, do they?

Feel the Flow – Keep Your Life in Balance
Technology is incredible. Gaming, networking, apps...online shopping! But make sure you take time out and find the right balance for you. Too long on tech can put the world out of whack.

Have Fun, Friend
Always remember to chill out and keep things in perspective. There’s too much information online to take it all in! Focus on each moment, and enjoy!

Be SunSmart

As the warm weather is now upon us (finally!), it is timely to remind students of the need to be sunsmart. Being sunsmart is as easy as SLIP SLOP SLAP SEEK SLIDE. Slip on a shirt (high collar), Slop on sunscreen, Slap on a hat, Seek shade and Slide on sunglasses.

Schools should encourage and remind students to:
- apply SPF 30 (or higher) broad spectrum, water-resistant sunscreen
- apply a generous amount to clean, dry skin at least 20 minutes before going outdoors
- re-apply sunscreen every two hours (whether or not the label tells you to do this) or more often when sweating or swimming
- check and follow the use-by date stated on the packaging
- store sunscreen below 30°C
- do not rely on sunscreen alone as it does not provide full protection - combine with other sun protection measures
- develop strategies that remind students to apply sunscreen before going outdoors (e.g. reminder notices, sunscreen monitors, sunscreen buddies, sunscreen stations near entry and exit points).

Students should:
- be able to apply their own sunscreen
- be reminded to reapply sunscreen
- have access to sunscreen for all outdoor activities e.g. include in first aid kit.

It is preferred practice that students bring to school (and excursions, outside events...) their own sunscreen as there is a strong risk of allergies and cross infection if a shared sunscreen is provided or used.

School notices where an outdoor event is planned, will remind families and students of the need to provide their own sunscreen.

Cranbourne Community
Christmas Carols
cnr of Russell Street and Childers Street
