Dear Parents,

An important aspect of implementing KidsMatter Primary is the consultation process with our school community. We are asking that families please complete the online survey to give a greater insight into this important initiative.

You are able to access the survey by logging on to the following site.

www.kidsmatter.edu.au/primary/parentsurvey

For more information, please refer to the KidsMatter Parent Survey flyer.

Please complete this survey by Wednesday, 15 November 2017.

If you have any questions please contact me at school.

Kind regards
