

## **Presidents Report for AGM 2017**

Welcome to Cranbourne South Primary School's AGM for 2018. My name is Jodi Price and this is my 2nd year as School Council President. Kylie Murphy is in her 4th year as Vice President.

2017 was another big year for Cranbourne South, being the first full, very productive year with our new Principal class. Some notable physical changes and improvements were the removal of the IFCO building, the removal of the green shed, revamp of the library (the hub), the start of some overdue maintenance of building A (administration) and the commitment and delivery of a new relocatable classroom (MOD5) behind the gallery, and the new multipurpose room (MOD10).

The role of school council president gave me the opportunity for greater involvement and insight into the running of Cranbourne South Primary. The professionalism, passion and dedication of the staff is consistently evident. On behalf of school council, I thank Monique, Sally and the entire team for their vision and drive to grow and develop our school and provide first class education and learning opportunities for our students.

In 2017 school council sub committees were set up and are now well-established and an integral part of our school governance. If you would like to become more involved in the school, (but not quite ready to commit to school council), we encourage and welcome any and all parents to join one of the following sub committees:

- Policy
- Buildings & Grounds
- Grants & Competitions

Meetings start at 5:30pm go for an hour, typically eight times throughout the year.

I would like to thank the members of the school council for their involvement, participation, dedication and willingness to get these things done in 2017. What an amazing bunch of people.

Finally, there is much to look forward to in 2018 in what I suspect will be another successful year at Cranbourne South Primary.

Jodi Price  
School Council President
