School Concert

Term Three is concert time! This year’s school concert, “Journey in Time”, will be presented on Thursday, 18 August at the Frankston Arts Centre. Tickets go on sale directly from the Frankston Arts Centre website and box office at 9am on Monday, 25 July. See the notice on page 3 for purchase details.

Tickets will be sold on a ‘first in, best dressed’ basis. There will be no tickets ‘held’ at the school office for those parents who choose to leave booking until the last minute. It is recommended that parents book tickets quickly to avoid disappointment, as we have been completely sold out in previous years - it is a spectacle not to be missed!

More information regarding our dress rehearsal at the venue will be sent home shortly.

Plovers

It is plover season again! Due to the increasing number of plovers at this time, we have employed the services of Animal Rescue to remove this problem from our school grounds. Student safety is a high priority and with Spring rapidly approaching we urge everyone to take care regarding this.

Car Parking

A reminder that parents are not permitted to use the staff carpark and/or netball court areas as car parking to pick up and drop off students as this poses a serious risk to staff and student safety. Please also be aware that using grassed areas/nature strips is not permitted and can create problems with cars becoming bogged.

Our school also has a strong partnership with the shop next door, and parents are asked to be mindful that the shop is still conducting business during our peak arrival and dismissal times, and we are asking parents not to park or block the petrol pumps.

Your support in these matters is greatly appreciated.

Shop News/Safety Reminder

A reminder that for safety reasons, once students are at school, they need to remain at school and not leave the grounds (i.e., going to the shop before school).

The store has been notified that children going to the shop before school should be accompanied by an adult if they wish to purchase items and that purchasing large quantities of junk food is strongly discouraged.

A Message From The Acting Principal

Parents as partners in their children’s learning

Dear Parents/Guardians,

At CSPS, parent engagement is crucial to our success. With the upcoming Parent Opinion survey being conducted during Term 3, it is a timely reminder (and a thank you) of how important the role of parents are, to both their child’s education and support to the school environment. Obtaining parent feedback assists our school with future planning and improvement. Parent who have been randomly selected to participate in the annual survey will receive documentation on Monday 25th July. BUT… we openly invite parent feedback all year round. At CSPS we firmly believe in a strong partnership to learning. When we are positively engaged in the education of our students, children are more likely to attend and perform better at school.

Effective parent and family engagement in education is more than just participation in school meetings and helping with fundraising, it is actively engaging with your child’s learning, both at home and at school. When schools and families work together, children do better and stay in school longer.

Why is parent engagement important?

Parent engagement is associated with improvements across a range of indicators, including:
• better education outcomes
• enhanced engagement with school work
• more regular school attendance
• better behaviour
• increased social skills

How you can help your child do well at school?

While it is important to stay informed and be involved in school activities where possible, there are lots of things you can do at home which can help your child to do better at school:
• Have high yet achievable expectations of your child.
• Talk regularly about school and the value of learning.
• Encourage positive attitudes and respect for school and teachers.

MONIQUE CORCORAN (Acting Principal)

Parking Issues

Please exercise patience, courtesy, common-sense and obey the traffic/parking rules at all times. Please DO NOT park in the Staff Carpark or block driveways.

Please note that the police, Vic Roads and the City of Casey Officers frequently patrol this area.

CONTACT is the school’s official newsletter and is published fortnightly. A copy is sent home with the eldest child in the family. You can view or download a copy of our newsletters from our website or via Tiqbiz.

Sports NEWS
Girls Football
A huge congratulations goes out to the inaugural Cranbourne South Senior Girls Football Team who competed in a tough regional round robin competition last Wednesday, 13 July. Battling through rain, wind and even hail at times, the girls did an amazing job to finish the day strongly in second place overall with two wins and a draw from their four games. Great effort girls and thank you to all the parents, family and other supporters who braved the elements and came to cheer our team on.
