SALLY HERBERT (Acting Assistant Principal)

Dear Parents/Guardians,

Firstly I would like to congratulate Mr. Smart and his wife Cat on the arrival of their new addition to the Smart family. Baby Fletcher was born on July 31st and is a little brother for Elleny. We are all eagerly awaiting his first visit to our school and lots of cuddles. Congratulations to the entire Smart family!

Over the last few months we have been working hard to improve our buildings and grounds. We have finally solved the puzzle of our high water usage. After a lengthy investigation and process of elimination it was discovered that we had a leaky pipe at the front of the school which has now been repaired.

The PFA is conducting a working bee on Saturday September 10th. Our school grounds and gardens are looking fantastic at present and much growth has occurred since we redesigned many of our gardens at the last working bee. We have received a great deal of positive feedback from prospective new families during school tours about our grounds and gardens. There are many projects listed for our upcoming working bee so if you are able to assist with time, skills, areas of expertise, donation of plants or equipment please contact the school. We would greatly appreciate your assistance.

Next time you are driving past our school boundary on Pearcedale Road please glance at our recently purchased school banner. This banner proudly displays our fabulous school with the slogan “60 Years and Going Strong! We have an exciting time ahead with many promotions, publicity and showcasing of our wonderful school with the slogan “60 Years and Going Strong” for a long time to come.

Finally the wait is almost over! Our school concert is now only 1 day away. The school has been a hub of excitement and anticipation as the classes add their final preparations to their items. I am most certainly looking forward to ‘Journeying through Time’ tomorrow night with our talented students and I am sure you share the same feeling.

EARLY PICK UP TIME FROM SCHOOL ON THURSDAY, 18 AUGUST
Students will have the opportunity to be picked up at 2:30pm on Thursday, 18 August. If families are picking up early, please make your way directly to your child's classroom teacher to sign your child out. Any remaining children will be supervised within the school environment until the normal dismissal time of 3:30pm. Before and After School Care will be operating per normal arranged times.

PERFORMANCE NIGHT: ARRIVAL & PICK-UP ARRANGEMENTS AT THE THEATRE
For student safety and to ensure that dismissal runs as smoothly as possible, please follow the procedures set out below:

1. Children can only be dropped off and picked up from the nominated points in the foyer.
2. Only one adult or family member to the arrival or dismissal point, to avoid congestion.
3. Please walk your child to the doorway and move on quickly. This will help with congestion.
4. Students must be marked off the class roll upon arrival and before leaving the centre.
5. Please be patient as we will be dismissing a lot of children at the same time – safety's our priority.

UPON ARRIVAL - Students are required to arrive at 6:30pm for organisational purposes. All students are to enter via the main entrance then to the immediate left - Rotary/Peninsula Function Room. They will be greeted by a staff member who will direct them to their class teacher.

PICK-UP AFTER CONCERT – No students are able to leave prior to the closing of the concert. Children are to be picked up from the foyer area, at designated 'pick-up points'. Signs will be prominently displayed at the various ‘pick-up points’.

FINISHING TIME
We expect the concert to finish at approximately 9:15pm.
