A big congratulations to all students who performed in our annual School Concert last Thursday, 18 August. Each class had worked hard rehearsing since the end of Term Two, and it was fabulous to be able to showcase every child through this important part of our Performing Arts curriculum. Well done to all performers and an extra thank you to all teachers and parents who helped with costumes and props for each class. Check out some more photos on page 3!

Literacy and Numeracy Week
A flyer has been sent home regarding some exciting Literacy and Numeracy Week events happening in our school. We have organised a ‘Roald Dahl’ day to celebrate 100 years since the birth of this famous storyteller on Monday, 5 September. Dress up as your favourite character from a Roald Dahl book - there will be a parade on the basketball court at 9:10am and all families are welcome.

Head Lice
A number of children are currently being treated for head lice. We would like to extend a reminder to parents/guardians of the need to regularly check your child’s hair for lice. As you know, anyone can get head lice. It is important to note that school policy requires parents to inform the school immediately if their child has head lice; this information is treated confidentially and is used to help manage any ‘outbreak’. Thank you for your support in this matter.

Working Bee
We have a Working Bee coming up next Friday, 9 September and Saturday, 10 September. Please see the notice that has recently been sent home for specific details; if you are available to help out on either of these days please let the office know.

VicSpell Competition
Congratulations to four of our wonderful senior students who have represented our school at the 2016 VicSpell competition - Elijah Adams, Oscar Poulton, Rebecca Scott and Logan McRae. Congratulations on your fantastic work!

Father’s Day Stall
Thank you to our wonderful PFA who worked hard to run the Father’s Day Stall today and yesterday. We are sure all the dads will greatly enjoy their specially selected gifts from the stall. Make sure you treat your dad to something special this Sunday!

Footy Lunch Day/Parade
The PFA will be holding a Footy Lunch Day on Thursday, 15 September. Order forms have been sent home and are due back on Monday, 12 September. Do not forget to wear your footy team’s colours on the day for the parade.

Family Life - Years 4-6
An updated notice with a change of dates has been sent home today. The parent information night about the program will now be held on Monday, 12 September commencing at 7:00pm. Please RSVP to the office using the slip provided.

NAPLAN UPDATE
NAPLAN reports for Year 3 and 5 students have been forwarded to families (please see the office for late collection). There is much to celebrate with the NAPLAN results, which will be communicated to families early Term 4, once ratified by School Council.
In relation to what I stand for and believe as a leader, I summarise this as the 5 C’s:

1. … in CHILDREN; their connection to peers, school and their community.
2. … in working as a COLLECTIVE and the essential need for consultation and collaboration.
3. … in the CRAFT of teaching; knowledge of curriculum and developing critical and creative thinkers.
4. … in CAPACITY building of staff in relation to growth as a teacher and leader.
5. … in developing the CULTURE and CLIMATE in a school by being actively involved from all levels.

My educational experience is varied where I have been fortunate to have taught and been a leader in public and private schools and Special Education settings. I have recently completed a Master of Instructional Leadership course of which I have thoroughly enjoyed immersing theory into practice.

In relation to what I stand for and believe as a leader, I summarise this as the 5 C’s:

1. … in CHILDREN; their connection to peers, school and their community.
2. … in working as a COLLECTIVE and the essential need for consultation and collaboration.
3. … in the CRAFT of teaching; knowledge of curriculum and developing critical and creative thinkers.
4. … in CAPACITY building of staff in relation to growth as a teacher and leader.
5. … in developing the CULTURE and CLIMATE in a school by being actively involved from all levels.

My door is always open, so please drop by and say hello.

MONIQUE CORCORAN (Principal)

The PFA would like to thank the community for their support with the fundraising efforts to date in 2016. This support has provided many great items to be provided for the school and the students. The children have really enjoyed the new playground, which has been made safer with new softfall. Every classroom in the school has a new iPad for the teachers to use. These were purchased with the funds raised by the Fun Run earlier in the year.

Staff news:
I would like to welcome back Meredith Hill, an Educational Support staff member who works primarily within the Middle School. On behalf of the school community, I would like to express our deepest condolences for Meredith’s recent loss of her son BJ. With open arms and hearts, we welcome Meredith back to the Cranbourne South Primary School family.
