On Friday 29 April, the Cranbourne South Primary School Cross Country Team braved the inclement weather to run at the District Cross Country meet at Cranbourne training complex. Our school team performed very well despite the unpleasant conditions with many students finishing in the top 20 positions in their races. We had 14 students qualify for the next level of competition at Casey Fields on 2 June. A special mention to the 11 Year Old Boys age group where we had 5 competitors qualify including a 1st and 2nd finish and 7 competitors in the top 15 and to the 12-13 Year Old Girls age group where we had 1st, 3rd and 9th with our House Cross Country champion unable to compete due to illness.

It is a credit to our students and the amount of work they have put into their own fitness levels that a school our size can produce the largest number of competitors from our district that will progress to divisional level. Well done and good luck on June 2nd.

Education Week

This week is Education Week and we have lots of special activities planned here at CSPS. The theme this year is ‘Technology, Create Your Future’ and celebrated with an Open day on Wednesday, 17 May to showcase our technology skills. Parents were warmly welcomed to come and visit their child’s classroom.

Friday 20 May, CSPS will continue to demonstrate their building based technology skills with several multi-age activities from 9:00-10:40am. Please see your child’s classroom teacher if you are able to assist.

Election Day

The federal government has called an election for Saturday, 2 July.

Cranbourne South Primary School is an official voting centre.

We will be conducting a sausage sizzle on election day to raise funds for our school. If you are able to volunteer, please contact the Parents and Friends Association.

Subway Lunch Reminder

Just a reminder to all parents to please ensure your children have separate envelopes for their individual Subway orders.

Please do not include any other payments in these envelopes as they are sent straight to Subway and the school does not open them.

Remember to write your child’s name, MAC number and ‘Subway’ on the front of each envelope to ensure no orders are missed processed.
A Message From
The Acting Principal

Dear Parents/Guardians,

What a wonderful school CSPS is. Fabulous students… enriching programs… dedicated staff… supportive families. There is much to celebrate being a member of Cranbourne South Primary School.

Of recent, myself and Mrs Herbert have thoroughly enjoyed taking new 2017 families on a tour of our tremendous school; highlighting the explicit teaching, specialist programs, Cooperative Learning approach, ICT strength, additional support opportunities, Before and After Care program … and list goes on.

Of tremendous pride is the way visitors are greeted by students and staff with a warm smile, a chirpy hello and an openness to share stories of why CSPS is the school to choose.

It is that time of year where we ask families who have a 2017 Prep to collect an enrolment form from the office and solidify their place for 2017. If your family situation is altering for 2017, please contact the office to let us know.

We are excitedly discussing areas of focus for 2017 and beyond, so your support in communicating your plans for 2017 is important.

I know that you will continue to highlight CSPS as a school of choice to your family and friends. If you or someone you know would like to take a look around CSPS and experience our community spirit themselves, please contact the office to organise a School Tour; I welcome being your “hostess with the mostess”.

MONIQUE CORCORAN (Acting Principal)

Parking Issues
Please exercise patience, courtesy, common-sense and obey the traffic/parking rules at all times.
Please DO NOT park in the Staff Carpark or block driveways.
Please note that the police, Vic Roads and the City of Casey Officers frequently patrol this area.

CONTACT is the school’s official newsletter and is published fortnightly. A copy is sent home with the eldest child in the family. You can view or download a copy of our newsletters from our website or via Tiqbiz.

Free Dress Day
& Subway Lunch Day

Our next Free Dress Day/Subway Lunch Day is Friday, 3 June

A Gold Coin donation is requested for the free dress day. Proceeds raised will be used to support the Junior School Council’s social service initiative.

As part of our “Healthy Living” program, the Life Education Van will be visiting the school on Thursday, 26 May to Thursday, 6 June.

Students will be covering a wide range of health and drug related topics during these sessions including how the human body works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

The Life Education sessions are always fun, interactive and really extend and develop the student’s understanding of the topics covered. We will be further extending on these topics in class both before and after the Life Education visit, so it is important that your student attends this session.

This year students will participate in the following units that involve health and safety issues:

- Junior School: “Clued Up”
- Middle School: “Harold’s Heroes”
- Senior School Yr 4: “Cyberwise”
- Yr 4/5: “Mind Your Medication”
- Yrs 5/6: “On the Case”

A free parent information session will be held on Thursday, 26 May at 9:10am in the Life Ed Van.
