May 15-21 was a celebration of Education week here at Cranbourne South Primary School. We had lots of special activities occurring along with the theme of ‘Technology: Create Your Future’.

On Wednesday 18 May, we held an open day for parents, where we showcased our technology skills. There was lots of positive feedback, with many parents impressed with what the students could do. Thank you to those parents who were able to come along on this day.

On Friday 20 May, we continued the excitement with a whole-school rotation of multi-age ‘Building Technology’ activities. The students had a wonderful time with so much to tell and report about. The variety of activities that students participated in was huge; we had carrot racing cars, marshmallow and spaghetti towers, chickpea buildings and bucket structures.

We would also like to say thank you to all the staff and volunteers for helping to make our Education Week a success. A particularly heartfelt thank you to all our fabulous teachers; we are very fortunate to have such a wonderful and dedicated team here at CSPS.

Above: Lilly, James & Brennan creating their marshmallow tower.

Crazy Hair Day
This Friday, 3 June is Crazy Hair Day in support of Cystic Fibrosis Australia. Students are encouraged to wear their craziest hair to school. This could include wigs, hair spray (done at home), teasing, spiking, twisting, crazy props… the more creative, the better!

Please bring along a gold coin donation for this great cause. There will be a parade of all the crazy hair styles under the rotunda at 9:10am.

Five Cent Challenge
Next week and the following week, CSPS will be participating in the Five Cent Challenge. Students are encouraged to bring along any ‘spare’ 5 cent coins and put them in their class’ piggy bank. Funds raised will be used to purchase further learning resources for the school. The Junior School Council representatives are currently in the process of gaining feedback as to what the raised funds will be put towards.

Upcoming Sport Events
Next Friday, 10 June is the Cranbourne District Lightning Premiership. All students in Years 4-6 have been allocated to a sporting team for this event. Students will be leaving CSPS at 9:00am and will be returning to school before normal dismissal at 3:30pm.

Tomorrow (Thursday, 2 June), 14 students who progressed to Division Cross Country are off to compete. Congratulations and good luck to everyone involved.

Removal of MAC 6 and 7
As advised via Tiqbiz and a notice sent home, over the next few weeks the MAC 6 and 7 portable will be removed from our school grounds. Thank you to those parents and teachers who have helped with relocating items stored in these rooms. If you have any queries or concerns, please do not hesitate to contact the school.
A Message From The Acting Principal

Dear Parents/Guardians,

2016 is an exciting educational year of opportunities at CSPS. As we head into the final weeks of Term 2, I wish to highlight a few keys areas of achievement and celebration so far:

- Students have been busy learning both the fundamentals of being strong literacy and numeracy learners as well as deeper thinkers within their Guided Inquiry units. In addition, teachers have enjoyed celebrating such achievements which will be shared in the upcoming mid year reports and Parent-Teacher Conferences. Learning for Life is both a priority of the Education State of which CSPS fosters each and every day.

- Teachers at CSPS are forever Lifelong Learners in the Professional Development they undertake. Teachers attend workshops, seminars, conferences, meetings, participate in webinars and engage in professional reading. We are committed to ensuring excellence in teaching and learning throughout and within our every day.

- At CSPS we have two welfare based workers, David Owens and Rachael Mazzaglia, that support our students with various needs relating to getting along, persistence, confidence, resilience and confidence. Developing and building such in our students is vital to breaking the link for students at school.

- Every Tuesday, students have the opportunity to participate in a City of Casey initiative called ‘Hungry Games’; eating fresh fruit and vegetables and engaging in informal games in the playground. What a wonderful way to continue to build happy, healthy and resilient kids; a priority of the Education State.

MONIQUE CORCORAN (Acting Principal)

School Concert: Week 6, Term 3.
Thursday 18th August 2016

Last Thursday and Friday, all staff shared an exciting Professional Development opportunity with a visit from Educational Consultant Julie Shepherd. Julie spent 2 full days working in classrooms with teachers and students modeling effective reading strategies with individuals and groups of children as part of our CAFE Reading program. The students really enjoyed listening to stories, developing their comprehension skills and participating in a variety of Reading based activities. The teachers observed Julie modeling reading strategies, conferencing with students and conducting reciprocal and guided reading sessions.

This was a wonderful opportunity for everyone and we welcome Julie back later in the year for more professional development in the area of reading.

You Can Do It
Student of the Week
This week’s key to success: Resilience

Congratulations to the following children who have demonstrated our “You Can Do It” keys to success: Getting Along, Confidence, Organisation, Persistence and Resilience.

Our overall “You Can Do It” Student of the Week
Congratulations
Week 6– Mackenzie Pora
Week 7 – Ebony Miller
What a wonderful school CSPS is. Fabulous students… enriching programs… dedicated staff… supportive families. There is much to celebrate being a member of Cranbourne South Primary School. Of recent, myself and Mrs Herbert have thoroughly enjoyed taking new 2017 families on a tour of our tremendous school; highlighting the explicit teaching, specialist programs, Cooperative Learning approach, ICT strength, additional support opportunities, Before and After Care program… and the list goes on.

Of tremendous pride is the way visitors are greeted by students and staff with a warm smile, a chirpy hello and an openness to share stories of why CSPS is the school to choose.

We are excitedly discussing areas of focus for 2017 and beyond, so your support in communicating your plans for 2017 is important. It is that time of year where we ask families who have a 2017 Prep to collect an enrolment form from the office and solidify their place for 2017. If your family situation is altering for 2017, please contact the office to let us know. I know that you will continue to highlight CSPS as a school of choice to your family and friends. If you or someone you know would like to take a look around CSPS and experience our community spirit themselves, please contact the office to organise a School Tour; I welcome being your “hostess with the mostess”.
