The Summit Camp Expression of Interest

Dear Parents/Guardians

The Yr 5/6 2018 camp is being held at The Summit in Trafalgar from Monday, 29 October – Wednesday, 31 October 2018. The Summit Camp <https://www.thesummit.net.au/> will involve our students participating in activities that reinforce the CSPS values of our 4Ps, Positivity, Persistence, Pride and Passion. They will also focus on building individual resilience and self-discipline. Please visit The Summit website and view the videos and information about this exciting camp.

Students will learn to conquer fears and control their inner dialogues in activities like *The Cave*. They will understand the extent of genuine commitment in activities like *Tash's Ladder*. They will push through fears in activities like *Summit Window*. They will learn to put trust in their teammates in activities like *High Wire*. Of course, in an activity like *Snakes and Ladders*, teams will have to conquer their irrational and exaggerated fears as they encounter a live python.

The specific activities for The Summit Camp are still being negotiated based on the development, growth and learning needs of our Yr 5/6 cohort and the availability/safety of the activities given the time of year the camp is held. The Summit program is specifically designed to encourage all children to think and act in a way that will promote individual and team learning.

The cost is \$320 per student (approximately) and covers all activities, food, accommodation and transport. Student numbers need to be finalised early in Term 2, as more or fewer students will slightly affect the final cost. We will send more information about the camp, including payments early in Term two. Payment plans for this camp can be set up at the office as required.

Please return the Expression of Interest form below by Friday, 20 April 2018. Please note that payment is not required with this EOI notice.

Thank you for your support.

Kind regards,

COLETTE JOANNIDIS
