**Friday, 15 June from 2.00pm
and
Saturday, 16 June from 8.30am**

Dear Parents,

On Friday, 15 and Saturday, 16 June 2018, we are asking for your valuable time and assistance to work on the school's Buildings and Grounds. Anytime that you can provide would be useful in assisting with maintaining the appearance of our school.

The main focus of the Saturday will be to beautify the front and side of the school (near the general store). We are hoping to utilise the services of a small digger or bobcat to landscape this area. If you are able to assist with equipment that may make this process more efficient please contact me at school.

Other tasks include:

- General gardening, including planting, weeding and mulching. Donations of plants would be greatly received.
- Cleaning the yard.
- Pressure cleaning the rotunda.
- Landscaping the area behind the new Multi Purpose room.

If you have gardening gloves, cleaning supplies, trolleys, brooms, shovels, rakes whipper snippers, high pressure hoses and weeding tools - please bring them along to assist on the day.

A trailer to move mulch and wheelbarrows would also be useful if you are able to provide these items.

A light lunch will be provided on the Saturday.

If you are able to assist with our Working Bee, could you please fill in the reply slip and return it by Wednesday, 13 June 2018.

We look forward to seeing you there!

SALLY HERBERT
Assistant Principal
Wednesday, 16 May 2018
