Phillip Island Camp Expression of Interest

Dear Parents,

Students in Year 4 will have the opportunity to attend Phillip Island Adventure camp in Phillip Island for three days beginning on Wednesday, 14 November - Friday 16 November 2018. The camp visit will incorporate attractions within the local area including the Arctic Adventure and A Maze 'n' Things. Students will be accommodated in heated and carpeted rooms with their own en-suite facilities.

Students will enjoy a Red Faces/Disco night and a movie night as well as several action activities like Giant Swing, Flying Fox, Canoeing and Raft Building.

The total cost of this camp will be **approximately** \$285.00 per student and covers all activities, food, accommodation and transport. Student numbers need to be finalised early in early term 3, as more or fewer students will slightly affect the final cost. We will send more information about the camp, including payments early during Term 3. Payment plans for this camp can be set up at the office as required.

If you have any questions regarding general enquires about the camp please contact on [9782-2999](tel:9782-2999). You may also visit the camp website: <http://piar.cyc.org.au/>

Please return the Expression of Interest form below by Friday, 20 July 2018. Please note that payment is not required with this EOI notice.

Kind regards,

Yours sincerely,

GREG BOOTH
Camp co-ordinator
